

Resources

Items in this section:

- Parent To-Do List
- Things Parents Can Ask For
- List of Acronyms
- Top 10 Tips for Optical Device Use
- Observation Guidelines
- Tips from Parents
- Website Resources
- Student Involvement Documents
 - Letter of Introduction
 - Contents for a Student Portfolio
 - Ability Statement

Purpose

- These final items have been included to support parents as they advocate for their children's success in the general education classroom.
- As with any information, consider that these are suggestions and guidelines, not essentials. Not all students function the same and need the same supports to be successful.
